Study well system

By HARRY BARNES
Press-Record Staff Writer
Alternative proposals for a partial solution of Granite City's sanitary sewer problems in the Namecki area may include a plan for a massive deep well system designed to lower the water table and relieve the pressure on "floating" sewer lines, Jack Huston, a St. Louis engineer, told the Community Resource Council last night in a meeting Thursday night.

Huston and Dr. Robert Koepke, a geology professor at Southern Illinois University at Edwardsville and director of an area survey of underground water table data, outlined briefly before the commission a few conclusions reached thus far in a study that is expected to produce recommendations as to what the city should do about a growing number of sanitary sewer breaks.

Both Dr. Koepke and Huston told Mayor Paul Schuler during the discussion that their final reports cannot be completed for at least another two weeks and will not be ready for Monday night's City Council meeting in which the sewer problem is expected to be a major topic. Huston told the commission that three other alternatives for eliminating sewer breaks are under consideration, but he did not indicate the priority of the proposals.

He said these alternatives can include replacement of the Namecki sewer system, raising of the more endangered sewers with construction of additional lift stations and, third, the possible relining of existing sewers with plastic liners.

The commission met Thursday night at the request of Mayor Schuler in begin his own study of the Namecki area sewer difficulties. Data presented by Dr. Koepke and Huston is expected to give the commission basic information for the assignment, with a view toward developing recommendations for city action.

The 11-man commission, of which Carl Mathias, service area manager of the Illinois Power Co., is chairman, was appointed by Mayor Schuler shortly after his election as mayor in 1973.

Dr. Koepke reviewed the city's history of sewer breaks noting that there is little doubt that the problem arises from a mounting underground water table created not only from a heavy volume of surface drainage here, but also in part by drainage from the bottomlands as far away as the bluffs.

Huston said the water table appears to be "leveling off" but there is a possibility it may rise another foot before it exists entirely. If that is true, he said, Granite City can expect additional broken sewer lines as the rising table reaches lines that still are above the present underground water table.

Granite City, with a series of

additional sanitary sewer breaks reported last week, has had a total of 42 known breaks since the spring flooding of 1973. Most of them have been attributed to the high water table and the fact that most sewers in the Namecki area were installed at a depth of as much as 12 feet.

Engineers say that the rising water table washes out the ground around the sewer lines, causing them to "float" and break. Because of the high level of underground water, it is impossible for workers to reach the breaks for repair as the excavations fill with water. This requires an expensive process of dewatering through the use of well points and pumps. Sixteen of the breaks were repaired by an East St. Louis construction firm under a contract awarded in July 1973 at a cost of nearly \$2 million. This cost does not include the ex-

pense involved through overtime for city street department workers, repairs made where possible by city employees and the cost of operating and maintaining pumps to keep sewage flowing around breaks that still are unrepaired.

Lionel Portell, city street superintendent, reported last week that his workers now are operating nine electric pumps and two gasoline pumps at points where it is necessary to bypass breaks in sanitary sewer lines.

Mayor Schuler said following Thursday night's meeting that "This will not be a simple thing for the (Resource) Commission to handle because it is a complex problem. It will cost the city in the millions to solve this problem."

He added that the "seriousness of this problem can't be overemphasized."

The commission, he said, will conduct further meetings to accumulate data for its report.

DEMONSTRATING NEW EQUIPMENT. Yvonne M. Bailey, a laboratory technician at St. Elizabeth Hospital, shows the Osmometer, a device which measures the amount of total solids in body fluids, including blood. This and other newly acquired items were displayed during Friday's National Hospital Week open house at the local hospital.

Boy, 17, drowns in lake

James Kasson, 17, of 2200 St. Clair Ave., drowned while attempting to swim across Long Lake in Ponton Beach with two friends at 12:15 p.m. yesterday. His body was recovered from the water at about 12:40 p.m. by the Long Lake Fire Department Rescue Unit and he was pronounced dead at the scene by Madison County Deputy Coroner Edward Werner.

The boys he was swimming with, Charles Paul, 17, and Robert Sasak, 16, both of Washington Park, were treated at St. Elizabeth Hospital for exhaustion and were released. Both boys said they made repeated attempts to rescue James from the water.

They said they were driven to the lake by James' mother and a friend of hers. They entered the water at the rear of 4384 (Continued on Page 11)

Arrests to start
Granite City police will begin making arrests this week of motorists residing in the city who have not purchased new city wheel tax stickers. Chief of Police Ronald Veiter announced this morning.

Weather outlook for this region

Considerable sunshine and warmer today with high about 90. Chance of thunderstorms tonight and Tuesday. Low tonight in the mid-60s. High Tuesday about 80. Chance of showers Wednesday through Friday, with high in the 80s cooling into the 70s by Friday. Lows in the 60s, dropping into the 50s by Friday.

Car, investments to take GC man's \$300,000 bonanza

"I was excited. I really didn't believe it at first."

That is how William P. Yarbrough, 50, of Granite City, describes his first reaction to the news that he was the winner of \$300,000 in the Illinois state lottery drawing at Chicago Thursday night.

Yarbrough said he received first notice of his big winnings from a Chicago newspaper (which called his home at 2438A Benton St. at 8:20 p.m. Thursday). He said he was with him at the time, said, "He nearly fainted. He was drinking a glass of milk and nearly spilled it all over himself."

Realizing that he'd "struck it

rich," Yarbrough said that he and Mrs. Board went out to celebrate at Woody's and Mary's Tavern, Caseyville, where he had bought the winning ticket.

He told the Press-Record that he plans to invest the money "as much as I get a chance to talk to my attorney."

Meanwhile, he plans to continue working as a maintenance machinist at the Combustion Engineering Co., St. Louis, where he has worked for the past ten years. He said he may buy a new car, and a few other things, but for the most part the money will be invested. He also may buy a mobile home and some land.

Yarbrough said he didn't get official word of his winnings until Friday morning, when an agent of the Illinois Lottery called him at work.

"As word of my good luck got around, the switchboard at the plant where I work got so jammed with calls from friends wanting to congratulate me that the company finally had to cut off incoming calls for me," Yarbrough related.

The lottery agency mailed \$1,000 of his winnings Friday and will send the remaining \$19,000 of the first year's payment within a matter of days, Yarbrough said he was told.

He was informed that he will receive a check for \$20,000 each May 15 for the next 14 years for the total of \$300,000.

He has been buying \$2 worth of lottery tickets each week. Yarbrough is a native of Akron, Ohio.

He has lived in Granite City for the past two years, moving here from Caseyville. Prior to that he lived in St. Louis.

He was the only one of 19 eligible for the \$300,000 who did not go to Chicago for the "bonanza" selection.

Helping choose the winning ticket was actor Leonard

Signs Expo bill

Gov. Dan Walker on Friday signed Senate Bill 540, making the new civic center financing act effective immediately.

An Exposition Hall and Performing Arts Authority board was named previously by the governor for this region.

The new bill was sponsored by Sen. Sam Vadalabene (D, Edwardsville). A civic center is to be constructed in the Madison-St. Clair Counties area.

Gov. Walker said Friday, "I am signing this bill today to help speed up building of civic centers."

"This action and other parts of the Accelerated Building Program will make it possible to put people back to work soon and get needed construction under way quickly."

"The sooner that local civic centers are built, the better off the community will be."

Granite City taxpayers will pay 16.3 per cent more in city taxes and 17 per cent more in township taxes this year under new tax rates extended by the office of County Clerk Evelyn Bowles. It was announced Friday.

The county clerk's tax division has established 1975 tax rates of \$1.35 per \$100 assessed valuation for the city of Granite City, and a new rate of 19.7 cents for township purposes, Miss Bowles said.

In addition, a new rate of \$1.2 cents per \$100 assessed valuation has been extended for county purposes, a tax that is paid countywide. This is an increase of 8.1 cents over last year's rate of 31.6 cents, or an increase of 11 per cent in this year's tax billings.

The new Granite City corporate rate is an increase of 12.8 cents per \$100 assessed valuation over last year's rate of \$1.23. The new township rate is an increase of 4.2 cents over last year's 15.5 cent rate.

At the same time, however, reductions from last year's rates for all three school districts in the Quad-City area have been extended.

Taxpayers of Granite City School District 9 will be billed this year under a new rate of \$3.97 cents per \$100 assessed valuation, down 8.3 cents, while Madison School District taxpayers will pay under a rate of \$2.894, down from \$2.962.

The new rate for Venice School District 3 is \$2.794, down 4.9 cents from last year's \$2.813.

Miss Bowles said that combined rates for all taxing agencies in each of the four Quad-City area townships have not yet been computed because tax data has not yet been received from St. Clair County for the East Side Levee and Sanitary District, and that all

information is not yet available for extension of the rate to be paid by taxpayers living in the Belleville Area College district. The BAC tax rate will be new this year since the Quad-City area first became a part of the college district last year. Miss Bowles said assessment and tax rate information has not yet been provided by Perry and Monroe counties. The same rate

must be extended for all counties within the district. New rates also have been extended by the county clerk's office for the Granite City Park District at 27.5 cents, unchanged from last year, and for the Miracle Manor-Bellemeade Place Street Lighting District at 11 cents, down 9 of one cent. Higher rates also have been

(Continued on Page 24)

Await ruling on seized records

By GARY SCHNEIDER

Press-Record Staff Writer
Chief Circuit Judge Fred P. Schuman heard arguments from the Illinois Attorney General's Office and from Granite City Steel Thursday and then took under advisement a request from the Steel company that a search warrant against the company be quashed and records seized by the state be returned.

Russell Robertson, an attorney for Granite City Steel, a division of National Steel Corp., said Judge Schuman gave him until June 11 to file necessary memorandums about the case, and added that he will do so. A decision from Judge Schuman is not anticipated until after that date.

The Illinois Environmental Protection Agency and the Illinois Attorney General's Office obtained a search warrant April 30 from Associate Judge William Johnson to look for records at the Granite City Steel general offices, the basic oxygen furnace and the laboratory complex near the coke ovens.

Seized were documents about a Dec. 19, 1974, BAC stock list conducted for the U. S. EPA, plus production records for August, September, October and December 1974. Steel company attorneys objected to the seizure, saying some of the documents described industrial procedures and other trade secrets which could damage the company.

The court ordered the documents held by Madison County Circuit Clerk Willard "Butch" Portell, pending a court decision whether they should be given to the state or returned to the steel company. Robertson contended at Thursday's hearing at Edwardsville that the Illinois EPA and the Attorney General's Office failed to show reasonable cause that a criminal activity may have taken place.

A search warrant should not have been issued by Judge Johnson, based only on an affidavit by Frederick L. Smith, source emission specialist for

Graduation time again—first ceremonies Friday

By DONNA HARTWICK

Press-Record Staff Writer
Graduation ceremonies for students in Quad-City public and parochial schools will begin Friday, with the first graduation program scheduled at a 7 p.m. mass at Sacred Heart Catholic Church. Graduation programs will continue through early June at other schools.

Summer vacations for all pupils in the area will begin this month and next.

The last day of school for Sacred Heart students will be on Monday, May 26, with a picnic at the school grounds.

Graduation exercises at other parochial schools will be as follows: St. Margaret Mary on Wednesday, May 28, with the last day of school set for Thursday, May 29, for other students.

St. Elizabeth School graduation will be at 6 p.m. Wednesday, May 28, and will be dismissed for the summer on Thursday, May 29.

St. Joseph School will graduate students on Sunday, May 25. The final day will be

Tuesday, May 27.

St. Mary-St. Mark Schools will hold commencement ceremonies on Sunday, June 1, with the final day of school set for Thursday, May 29.

Madison grade schools will remain in session until the final day Thursday, May 29. Graduation ceremonies for Madison Junior High School will be at 11 a.m. on Wednesday, May 28, and High School commencement is scheduled Thursday, May 29.

Venice High School graduation is planned Wednesday, May 28, and students in the grade schools, junior high and high school will be dismissed on Thursday, May 29.

Granite City elementary schools will hold the final session Friday, June 6, with dismissal set for 10:30 a.m. Classes at Granite City Junior High Schools will be dismissed at 11 a.m. High School pupils will be dismissed at 8:10 a.m.

Graduation exercises for North High School will be on Friday, June 6, and for South High School seniors on Saturday, June 7.

Laclede Steel shipments 70% of last year's pace

Short-term earnings of Laclede Steel Co. and other steel firms are being influenced by the economic level of Japan, Europe and the United States, as well as the steel supply-demand level, President Paul B. Akin said Thursday at Laclede Steel's annual meeting.

"This year, we are experiencing a recession far more

severe than any of us anticipated six months ago.

"Although many steel companies felt the impact of this economic slowdown in the fourth quarter of 1984, Laclede Steel continued at capacity until the latter part of the first quarter of this year," Akin told stockholders.

"The American Iron and Steel Institute has just reported that the domestic steel industry in March, as a whole, was shipping at about 70 per cent of last year's level, which was full capacity."

"A month ago, I said that I expected our shipments for the

second quarter would be off approximately 15 per cent. This month, we are shipping at about 70 per cent of the 1984 level, or at about the same level that the industry experienced in March.

"Second quarter earnings, therefore, will be well below those of the first quarter of 1985."

"The next question is what we see for the third quarter and the earnings for the year."

"Last year, such a prediction was not hard to make. We were operating at capacity. We had pretty well established what earnings per ton we could expect in the market, and we could see full operations for the

balance of the year.

"As we are not operating at capacity this year, and as it is not yet clear just where we will be, I can make no estimate of third quarter or of annual earnings for 1985."

President Akin added that, "in the annual report for 1984, I described briefly the three departments that are currently being modernized."

"Work is being done in the tube mill and in the rod mill. The blooming mill soaking pit project, the third area that was mentioned, is still in the engineering phase."

"All of those construction projects are on schedule."

"In the annual report, I also described why Laclede Steel is interested in developing a supply of desulfurized iron pellets to replace much of the ferrous scrap that is presently our primary raw material."

"I also indicated that natural gas, oil, or even high-sulfur coal can be used to desulfurize iron ore pellets, depending on the process selected, and that this need for a dependable supply of oil or natural gas accounted for our exploration agreement with the Texas Pacific Oil Co., Inc."

"The agreement calls for payment of \$250,000 to Texas Pacific by Laclede, and for the drilling of an initial well at an approximate cost to Laclede of \$500,000."

"After the completion or abandonment of the first well, we are given the option to participate in the drilling of a second exploratory well by payment of an additional \$250,000 to Texas Pacific and assuming 50 per cent of the cost of the second well."

"If Laclede elects to participate in the second well, the agreement gives Laclede the option to participate in any other wells drilled by Texas Pacific in Southern Illinois by assuming 40 per cent of the cost of each well."

"If we participate in the second exploratory well, Texas Pacific will assign 40 per cent of all of the oil and gas interests it owns in Southern Illinois to Laclede."

"To retain this 40 per cent ownership in a specific area, however, we must participate in the drilling costs of this area."

"In my letter to stockholders Feb. 14, 1985, I said that we estimated Laclede's exploration costs for 1985 would be approximately \$1,000,000."

"This cost was based upon the amount agreed to in the initial phase of the agreement."

"As we were able to obtain the services of a drilling rig soon after the agreement was signed, and as the present well is meeting the drilling schedule, we may well have enough time to participate in the second exploratory well this year."

"Should we so elect, we would have additional costs of \$500,000 this year for that well."

"A rig has been in operation on the first well. The formations we are drilling through are considered to be 'hard rock,' and drill bits must be changed more frequently than would be necessary in other strata."

"The objective depth of this well is 13,000 feet, and the drilling is proceeding as per schedule. But it will be some time before we know the relative success or lack of success of this well."

President Akin also told Thursday's annual stockholder meeting that our long-term earnings — the next five to ten years — will approximate the 1984 figure.

"Historically, 1985 will not be as good in view of the present recession."

"I would like to give as detailed a short-term prediction this year as I did last year, but since I do not know either when or how quickly the economy will recover, I can make no prediction now for 1985."

"The entire point of this talk, however, has been to document why those of us in Laclede believe that our long-term earnings — the next five to ten years — will approximate the 1984 figure."

"I would like to give as detailed a short-term prediction this year as I did last year, but since I do not know either when or how quickly the economy will recover, I can make no prediction now for 1985."

"I would like to give as detailed a short-term prediction this year as I did last year, but since I do not know either when or how quickly the economy will recover, I can make no prediction now for 1985."

Fewer marriages, deaths, births

Births, deaths and marriages in Madison County during April decreased in all instances according to a vital statistics report by County Clerk Evelyn Howes.

The report shows a total of 250 births — 121 boys and 129 girls — was reported last month, compared with 264 births — 132 boys and 132 girls — during April 1984.

Three sets of twins were born last month, compared with one set in April a year ago.

A total of 175 deaths was reported throughout the county last month, down from 181, while 106 marriages were reported, down from 208 in April the previous year.

Anthony Kulassa, 88, dies

Anthony Kulassa, 88, of 4885 Hawthorn, Affton, Mo., died at 3:30 a.m. Saturday at Incarnate Word Hospital, St. Louis, where he had been a patient 25 days. He formerly resided in the 800 block of Greenwood Street, Madison.

Mr. Kulassa retired in 1952 from American Car and Foundry in Madison where he was a watchman. He also worked for Laclede Steel Co.

Born in Poland, he was a member of St. Stanislaus Lodge 1084, Polish Roman Catholic Union. He also held membership in St. Mary's Roman Catholic Church in Madison.

His wife, the former Miss Ann Novak, preceded him in death.

Mrs. Keel is found dead

Mrs. Marie Connor Keel, 61, of 1434 Norwood Drive, was found in her bed without signs of life at 11 a.m. Friday and was pronounced dead at 11:15 a.m. by Madison County Deputy Coroner Edward Werner.

Police said they found Mrs. Keel with plastic bag over her head and a nylon strand tied around her neck to keep the bag in place.

She had left a note with a neighbor detailing wishes on funeral arrangements.

Officers said nothing in the house appeared disturbed. An electric fan was operating on the bedroom floor.

Mrs. Keel was last seen at about 10 a.m. Thursday by a friend.

Oscar Bohnenstiehl dies

Oscar Bohnenstiehl, 79, of 2801 Adams St., ill for one year, died at 5:20 a.m. Friday at the Anna Hehr Nursing Home, Edwardsville.

Born in Jarvis Township, near Collinsville, he had resided in this area since 1919.

Mr. Bohnenstiehl retired in 1980 at Granite City Steel with 26 years service.

He was a member of the VFW Post 1300 and also belonged to Barracks 34, Veterans of World War I.

Derbite Lowery rites Tuesday

Funeral services are scheduled at 8 p.m. Tuesday at the Church of God, Madison, for Derbite Lowery, 68, of 1120 Calhoun St., Venice, who died Thursday at St. Elizabeth Hospital here.

Survivors include his wife, Willy Mae; a son, Charles L. of Chicago Heights; two daughters, Gladys of Chicago and Deborah of Madison; brothers, William Lowery of East St. Louis and Lee White of Mounds; and a sister, Mrs. Lois McClain of East St. Louis.

Rites Saturday for Mrs. Bessie Evans

Funeral services were held at 10 a.m. Saturday at a Fairview Heights funeral home for Mrs. Bessie Evans, 72, of Lansdowne Towers, East St. Louis, mother of Mrs. Dorothy Carney and Mrs. James MacArthur Couch, both of Granite City.

She died Thursday at Memorial Hospital, Belleville.

Also surviving are three other daughters, three sons, two sisters and three brothers.

Car hits pole

A woman and two children were injured when their automobile struck a utility pole on the south side of East 23rd Street in the 2500 block at 4:30 p.m. Friday. They were taken by ambulance to St. Elizabeth Hospital.

Lynn Christie Evans, 24, of 1910 Kirkpatrick Homes, the driver, said she lost consciousness before the car left the roadway. She was admitted to the hospital with a two-inch cut to her head, and pain to the right side of her face.

Tracey Evans, 8, of the same address, was treated for a contusion to her forehead and pain to her head and was released. Edward Evans, 4, suffered only minor injuries and was released after he was examined.

5 BIG DAYS IN REVIVAL TRINITY TABERNACLE

2000 E. 6th St. Madison, Ill.

Presents

VERNON J. COLVIN and Family of Ruskin, Fla.

Wed., May 21 to Sun., May 25 NIGHTLY 7:45

You are urged to attend this marvelous revival and witness a perfect operation of the Gifts of the Holy Ghost.

Rev. Colvin is well remembered by two great and fruitful meetings in this Church.

C. M. O'QUIN, Pastor

Man robbed by bandit with knife

Danny Warfield, 1812 August St., reported at 11:36 p.m. Thursday that he was walking from his car toward his apartment when a man approached, displayed a knife and robbed him of his wallet.

He said the man first approached by asking directions to Monroe Street. He then displayed a knife about 18 inches long and said, "Give me your wallet."

Warfield said he complied and the man ran around the apartment building into the alley. The wallet contained \$10, his driver's license and personal papers.

A witness said the man got into a light blue or white Ford parked in the alley. There may have been two other men in the car, police were told.

The robber was described as about 6 feet tall, weighing about 160 pounds, having long sandy blonde hair, about 22 or 23 years of age and wearing a dark coat.

Burned as motorcycle explodes

David Waynick, 21, of 2119 Benton St., was injured when he was having his motorcycle towed by an auto to start it and the engine exploded, causing the motorcycle's gasoline tank to burn.

Burning gasoline was thrown on Waynick and he suffered second-degree burns to both arms and his face. He was taken by ambulance to St. Elizabeth Hospital where he was admitted.

The Granite City Fire Department extinguished the fire.

Donald Clements, 2145 Benton St., was the driver of the auto towing the motorcycle.

Portell wants to increase staff

Willard Portell, Madison County circuit clerk, will have to finance the hiring of any additional clerks out of his own budget, the Finance Committee of the County Board has informed Portell.

Portell is seeking three additional full-time employees and \$7,000 to handle the increased caseload in his office. He said he does not have the money in his own budget.

Walter Johnson stricken

Walter J. Johnson, 59, of 2842 State St., died at 3:35 p.m. Friday at St. Elizabeth Hospital, a few minutes after being brought by ambulance from his home where he suffered an apparent heart attack.

Mr. Johnson was employed 40 years by Shell Oil Co. and was a chemist in the refinery at Wood River. He was a member of the Operating Engineers Union.

He was a member of First Presbyterian Church of Granite City and of numerous fraternal organizations.

Mr. Johnson was the present Watchman of Shepherds of Gabriel Shrine 78, Order of the White Shrine of Jerusalem, a member of Masonic Lodge 835, Consistory, Almond Shrine, past commander of the Legion of Honor of Almond Shrine, past patron of Granite Chapter 850, Order of Eastern Star.

Woman charged

Alice Rogers, 21, who gave police no home address and formerly resided in the 700 block of Ashland Avenue, Mitchell, was arrested at the home of a friend in the 100 block of Briarcliff Drive at 12:10 a.m. Friday and was charged with a felony count of theft.

She allegedly stole a \$75 shotgun, about \$100 cash, a silver dollar, a collector's knife from India and a new pair of pants from Andy Chiappa and his son Jim, 3841 Wayne Ave., last week.

Legal secretaries install

Officers for the 1975-76 fiscal year were installed in a candlelight ceremony at a meeting of the Madison County Legal Secretaries Association by guest speaker, W. Harold Thomas, attorney.

They are: Mrs. Peggy Stafford, president; Mrs. Marilyn Boudt, vice-president; Mrs. Mary Lou Harvey, recording secretary; Mrs. Bernice Pinkas, corresponding secretary; Mrs. Betty Cole, treasurer; Mrs. Betty Cole, governor, and Mrs. Gerry Hoover, NAL representative.

All six secretaries of the firm of Chapman & Chapman Chartered, 1406 Niedringhaus Ave., were initiated. The new initiates are Marilyn Timmons, Valerie Hipher, Patricia Stephens, Rife Callender, Barbara Smith and Melanie King.

Miss Linda Glasper, daughter

Theta Iota to honor parents

Theta Iota Chapter of Beta Sigma Phi will honor mothers and fathers at a celebration on June 8 at the Pionatium Dinner Theatre, St. Louis County, at a performance of "My Three Angels."

Mrs. Carolyn Goodwin, 3251 Iowa St., hosted the chapter's business meeting when plans were made for the theatre outing and to hold a car wash on May 31 at the Mobil service station, Pontoon and Namecki roads.

Mrs. Maxine Kayich, a member, is a patient at St. Elizabeth Hospital, Mrs. Goodwin reported.

Refreshments were served by the hostess to Carolyn Crnkovich, Candy Thompson, Joan Pritchard, Barbara Wagner and those mentioned.

MR. AND MRS. THOMAS A. MARTIN, 4010 Breckenridge Lane, who will observe their 50th wedding anniversary at a reception on Sunday at Lee Park Recreation Hall, 305 Broadway, Venice.

Golden Anniversary of Mr. and Mrs. T. A. Martin

Mr. and Mrs. Thomas A. (Lillian) "Tish" Martin, 4010 Breckenridge Lane, will be honored on their 50th wedding anniversary at a reception on Sunday afternoon at Lee Park Recreation Hall, 305 Broadway, Venice.

The honorees will receive guests from 2 o'clock until 5 p.m. Hosted the event will be their sons in law and daughters, Mr. and Mrs. Roy (Maxine) Green of Granite City and Mr. and Mrs. Joe (Marlene) Verdu of Belleville.

Mr. and Mrs. Martin were married on May 26, 1925, in Evansville, Ind. Both have resided in this area since 1930. They are members of the Pontoon Baptist Church.

Mr. Martin retired in 1968

100 attend veterans meeting

One hundred members of the Barracks and Auxiliaries of the 4th District, Department of Illinois, Veterans of World War I, met at the VFW Hall in Granite City.

After a noon pot luck dinner, the separate meetings were called to order by Commander Louis Schmidt and President Mrs. Violet Schmidt.

Newly-elected officers were installed by Department President Grace Haggy of East Peoria, assisted by Mary Woods of Galva, Ill., and Lillian Schall of O'Fallon, both past department presidents.

Mrs. Schmidt, Edwardsville, was re-elected district president and Elmer Swanson was named district commander.

The local Barracks 34 and Auxiliary held another meeting last week to elect officers.

Spring luncheon for Chapter HT

A spring luncheon party for Chapter HT of the PEO Sisterhood was hosted last week by Mrs. Len Kowen, assisted by Mrs. Carl Mathias and Mrs. Randall Robertson.

The tables were attractively decorated with potted geraniums.

Mrs. Robert A. Backs, president, led the business meeting and announced the appointment of new committee chairmen.

During the afternoon, Mrs. Robertson read a tribute to mothers in observance of "Mother's Day" and games were played for entertainment.

Prizes were awarded by the hostesses to Mrs. Harold Fischer, Mrs. Maurice Bailey, Mrs. George Marshman, Mrs. Al Stoeber and Mrs. W. W. Bowers. Each received a potted geranium.

Mrs. Bowers will entertain the chapter on May 26 for the final meeting of the current season.

Volunteer, food programs heard

The Granite City Council of Senior Citizens met at the Senior Citizen Center, 1918 Edison Ave., to discuss a current food program and other activities.

President Edgar Paddock introduced guests, Mrs. Kathryn Smithson, president of the Tuesday Afternoon Card Club, and Mrs. Vernice Walker of the American Association of Retired Persons.

Mrs. Norma Mendoza and Jim Fensterman, representatives of the Retired Senior Volunteer Program (RSVP), were guest speakers.

Mrs. Mendoza reviewed openings for senior volunteers in various programs and Fensterman reported Congressman Melvin Price will speak at the "Conference on Aging" to be held Friday at Belle-Claire Fairgrounds in Belleville.

Mrs. Ruby Corbitt and Mrs. Gertrude Bundy will be hostesses at the seniors' center from 9 a.m. to 5 p.m. this week.

and any senior citizen, 55 years or older, is invited to visit the facility, Paddock said.

Mrs. Neva Werthe, purchasing agent, and Mrs. Villa Ridings, assistant, Budget Food Service program, will accept orders each week at the downtown center and the Anchorage Recreation Hall. The orders may be picked up at both centers, according to Mrs. Werthe, from 1 to 3 p.m. each Friday.

The parade held earlier this month, followed by a dinner at the VFW Hall was discussed. The latter event was planned by VFW Commander Robert Paschedag.

Guests seated at the main table included Granite City Mayor Paul Schuler, Nelson Hagauer, Madison County Sheriff John Meers and John Winkelmeyer, parade chairman.

Entertainment was provided by the Eagleaires Kitchen Band, directed by Mrs. Angie Buehler.

Recital at Nameoki Methodist

Students of Mrs. Ruth Gibbs presented a piano recital at the Nameoki United Methodist Church.

Individual presentations were given by Tracy Hill, Paula Rozycy, Mark Moore, Tari and Tammy Hanfelder, Jamie Nolen, Denise Portell, Kathy Gilley, Bobby Slate, Wendy Hill, Betty Denise Portell, Kathy Gilley, Bobby Slate, Wendy Hill, Betty Graham, David Gebhardt, Beth Hartmann, and Betsy Slate.

Dynette Shrader, Barry Briggs, Debbie Wilson and Pam Tester, Joanne Wisa, a young student of Ron Sartori, who is blind, played an accordion solo. Music in braille is prepared for her by Mrs. Gibbs.

A duet was performed by Betty Graham and Laura Williams. Rayette Herrin and Renata Brylak also participated in the recital.

North musicians attend concerts

North High School Band members attended concerts at Six Flags Over Mid-America near Pacific, Mo., in May and also performed at the Acres of Art Show at South High School.

The activities were described at a meeting of the North Band Parents Association held in the school library and conducted by Delton Groothuis, president.

Several student musicians from North will perform in a concert 7:30 p.m. Saturday to climax the annual All-City Band Festival at South High School.

To conclude the business session, Groothuis announced an annual election of officers at the June meeting, and refreshments were served by Josephine Uram and Lorraine Elmore.

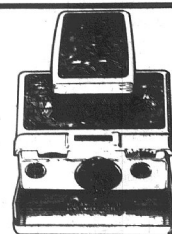

LOSE WEIGHT FAST

New clinical tests completed at a major university hospital prove that the ODRINEX Plus will help you lose excess weight quickly.

Opich, Schooley, Terry double winners in meet

Granite City High School North was victorious over capable competition from 11 other schools during the Cahokia Invitational track meet held last week in Cahokia.

GCHS South was fourth and Madison tied for ninth after leading early. South's Warriors had two double winners.

North trackmen garnered 58 1/2 points to lead the field. Belleville West was second with 51, Edwardsville was third with 49, and South earned 41.

Other scores were Belleville East 21, Collinsville 20, Centerville 19, Cahokia 15, Madison and Mascoutah 12 each, Waterloo 3 and Triad 0.

Fleet Freshman Mike Baker of North did not win the mile competition, but he ran the event in 4:29.4, a new fastest time ever recorded in the state for a freshman, and finished fourth.

Steele Ed Opich won the shot put at 52-10 1/2, and discus at 160-5. Woodard was fourth in the shot put at 48-1.

North's Mike Donoff brought home first-place honors for the Stealers by winning the 220-yard dash in 25 seconds flat.

The North relay team of Steve Reinagel, Steve Crabb, Tom Stevenson and Mike Donoff gained second places in the 200-yard relay in 1:53.1.

Steele Larry Schleicher was third in the 800-yard relay in 1:59.3, and Dave Kwiatkowski was third in the 1200-yard high hurdles in 15.7.

Stevenson and Mike Donoff finished nearly side by side for fourth and fifth places, respectively, in the 100-yard dash, each clocking 11 seconds flat.

The freshman-sophomore mile relay team of North was fourth, with Bruce Jateff, Dave Peters, Don Lucy and Fred Clay running, and the 800-yard relay team of the same grade level also was fourth, with Clay, Luch, John Davis and Jateff in the lineup.

North's varsity mile relay squad of Dave Kwiatkowski, Schleicher, Reinagel and Crabb finished fifth.

Madison's Joe Young led the 1500-yard relay in 12:40.

Trojan effort until Coach Charles Steptoe decided to halt his team's participation, fearing an injury which might keep one of his competitors out of qualifying for the state meet.

Steptoe said the weather began to turn cold and Trojan Michael Terrell pulled a muscle during competition in high hurdles.

"With the district meet Friday, I did not want anyone else hurt by running in the cold, so I made the decision to quit early."

Joe Young had already run five races and was getting ready for his sixth, and I was afraid he might hurt himself since he was tired," Steptoe explained.

"We had two pulled muscles last year at this event from runners who already were state qualifiers and I did not want that to happen again," he added.

Young, considered to stand an excellent chance in statewide competition, was victorious Tuesday in the 100-yard dash at 10.5 for the only Trojan first place. Young also was among the six who qualified in earlier races for the 220-yard dash, but he did not run it.

Mike Williams finished second in the 1200-yard high hurdles in 15.6 and the Trojan 800 relay team turned in its best time of the season at 1:34.7, and finished fourth. Members of that team were Young, Williams, Don Dee Walker and Lamont Garrett.

For GCHS South, Dewayne Terry carried the half-mile in 1:58.6 and the mile run in 4:25.9, while Tom Schooley was first across the finish line in the 100-yard high hurdles in 15.4 and 330-yard high hurdles in 39 seconds.

Other Warpointers included Doug Hartman, second in the shot put at 52-0 1/2, and fourth in the discus throw at 141-0, the mile relay squad, second at 3:29.1 to Belleville West's 3:27.1, and Steve Watson, fifth in the pole vault at 12-6.

TWO ARE HURT Gary Spiller, 26, and Tisha Spiller, 3, both of Edwardsville, were treated at St. Elizabeth Hospital at 7:50 p.m. Thursday after they were hurt in an auto accident in Edwardsville. The child was admitted for observation with an abrasion to her chin and pain to her head.

Mr. Spiller also was admitted with pain to his head, neck and left leg.

RECORD CATCH. This German carp won Tony Gray, a Bubblemaster scuba diver, the trophy for largest fish at a Midwest Diving Council meet at Table Rock Lake, Mo. The fish, weighing 12 pounds, eight ounces, may set a new North American catch record for the species, which is devoid of scales on either side.

GC scuba diver may net new fish record

Tony Gray, a Granite City diver and member of the Bubblemasters Underwater Recovery Team (BURT), speared a 12-pound, eight-ounce German carp, which may set a North American catch record for that species, at the Midwest Diving Council's competitive meet at the Highway 13 boat dock, Table Rock Lake, Mo.

Gray, a student at Granite City High School South, received first-place trophy for the largest fish caught in the spearfishing contest.

In addition to his diving activities, the youth also serves as junior fire chief of Long Lake Junior Firemen.

Other Bubblemasters winning trophies were Mike Pasalich, first place, triathlon handicap race; Richard Grizzard, first

place, most fish; and Edward Duffin, second place, most fish.

One of the largest diving meets in MDC history, the competition attracted 150 divers, who used more than 60 boats.

The Granite City diving group was host at an evening party and served all 150 divers a barbecue beef supper.

In current Bubblemasters' standings, Wally Marzluft holds the top record for the "spearman of the month" award, several points ahead of last year season's champion spearfisherman, Edward Duffin and Phil Lamun.

The local divers are planning their next outing on the Memorial Day weekend at the Pontiac boat dock, Bull Shoals Lake, Mo.

Bicentennial—the way it was

May 19 — James Russell, in charge of Massachusetts lighthouses, tells the Provincial Congress that his illuminating oil has become expensive and in short supply.

May 20 — Colonial officials in Albany and Schenectady reassure Chief Little Abraham that they wish only to live in peace with the Indians and contemplate no hostilities.

May 21 — General Ward receives plea for cannon and artillerymen badly needed by colonial militia for strengthening the lines around Boston.

STEAL TELEVISION
A television was stolen from the home of Laveah Hall, 1727 rear Maple St. It was reported at 6:25 p.m. Thursday. Entry was believed gained through the unlocked front door.

Mercer loses 11-6 but then wins 5-4

The Mercer Mortuary baseball nine in Illinois Inter-City League action at Wilson Park Sunday split a doubleheader with the East Avon Vans, dropping the first game 11-6 but edging by the Vans 5-4 in the second contest.

In the first game, Mercer bats boomed to take a 5-2 lead in the first inning and added another run in the second. But that was all Mercer could muster on nine hits while committing three errors.

The Vans took an 8-6 lead in the top of the third and added their final three runs in the fourth as they totaled 14 hits and nine errors.

Mercer's Jim Greenwald tagged a four-bagger, driving in Dave Hudleston and Bob Scott in the first inning.

Vic Reznack was the losing pitcher, being relieved by John Stanton, who pitched three and a half scoreless innings.

Reznack came back in the second game for the win, allowing only two Van hits. His teammates committed two errors.

The Vans scored two runs in each of the first and second innings and held a 4-0 lead until the top of the sixth.

Mercer scored in the sixth and then in the seventh blasting away for four runs. Mercer caught 13 hits in the second game.

Catcher Bill Campbell led the local nine belting three for four, with three runs batted in. Hudleston, Scott, Larry Corey and Mike Sprague also aided the scoring.

The Mercer record now is one win and two losses.

In other Inter-City doubleheaders, Troy topped Highland-Pierson 4-2 and 4-3 and Fairfax beat Panama 6-1 before bowing 9-1.

Next Sunday, Mercer will host Fairfax at 2 p.m. in Wilson Park.

no errors. Dickerson's season record is an impressive 6-1.

John Scott relieved and pitched three and a half innings. Scott's season record is 8-2.

North's only run came in the top of the sixth with two out. Harvey Breckner and Gene Logan walked and Richard Schmidt hit a single, sending Breckner home.

O'Fallon's Paul Bushman went all the way on the mound. "I am proud of the players; they played some fine ball," North Coach Bob Stegmeyer said.

"They got to us in the third inning and that sometimes happens in baseball. No one likes to lose; but the team played well Saturday and during the entire season."

The winners totaled seven hits and no errors.

Bill Dickerson suffered the North loss, pitching until the bottom of the third, when O'Fallon scored its five runs. The winners totaled seven hits.

Beauregard Saturday and a combination pitched game over the same club, 9-3, with Steve Earnhart starting and gaining his fifth victory to go with three losses. Sam Pastovich took the seventh inning and then big Nick Baltz hurled the final two innings and gave up one tally.

Starting with a 4-3 victory a week ago Friday over Western Illinois U. at Macomb, the Cougars of Coach Roy Lee had not only gotten brilliant pitching but their bats boomed. STUE won 6-2 and 9-4 Thursday over McMurray College at Jacksonville.

The last two victories in the redhot streak were an 8-0 shutout by Larry Moore over the McKendree College

Camp counselor

The Illinois State Employment Service is seeking a 21-year-old male female with sports for a summer camp counselor job beginning May 30 and ending Aug. 2. "A college student majoring in physical education would be highly desirable," ISES Counselor Jim Bowman said.

The job involves living in a summer camp dormitory with males and supervising varied sports activities. Pay will be \$70 a week plus room and board. Minimum age is 21. Interested persons may call Bowman at 451-5756.

Memorial services honoring those who died in the service of their country will be held at 10 a.m. Sunday on the lawn of Venice-Madison American Legion Post 307, at 740 Broadway, Venice.

Richard Pittenger, Post 307 commander, said the public is invited to join Legion members in paying tribute to the war dead.

Mayor Mike Sasyk of Madison and Mayor William M. Eberstadt of Venice will address those assembled, Pittenger said.

Witnesses said the truck went into the median and when Gower drove back onto the roadway, it overturned.

He was taken to St. Elizabeth Hospital where he was admitted with multiple cuts to his neck, the right side of his head and to his left leg.

SWINDLED OF \$10 Robert Naev, operator of a service station at 1800 Edwardsville Road, told Madison police that he lost \$10 at 5:35 p.m. Thursday to a motorist who gave him a "ring of quarters" in exchange for the money. He said when he unwrapped the roll, it contained a roll of lead with a quarter at each end.

Truck overturns
George J. Gower, 23, Collinsville, was injured when he fell asleep badly needed by panel truck and it overturned on Interstate 270 just west of Route 167 at 2 a.m. Saturday.

Witnesses said the truck went into the median and when Gower drove back onto the roadway, it overturned.

He was taken to St. Elizabeth Hospital where he was admitted with multiple cuts to his neck, the right side of his head and to his left leg.

Innocent verdict on woman

"A jury in Madison County Circuit Court at Edwardsville Friday evening found Mrs. Carolyn Ragan, 30, East St. Louis, innocent of attempted murder, solicitation and conspiracy to commit murder in connection with the Nov. 29 shooting of her husband, Charles Ragan, 31, of 15 Lakeview Drive, Pontoon Beach, in his home.

The jury deliberated nearly one hour before returning the verdicts shortly after 5 p.m. Friday.

The trial opened Monday and among the witnesses were two former defendants in the case who have been found guilty.

Carl O. Nightwaine, 22, of the 4000 block of North St., was brought from Menard State Prison to testify. He was sentenced to two to six years in prison after pleading guilty to conspiracy to commit murder. He also is serving a concurrent one-three-year sentence for auto theft.

Also testifying was Robert Perigo, 24, of the 2700 block of Denver Street, who has been found guilty of attempted murder in connection with the Ragan case and is awaiting sentencing.

Mrs. Ragan had been charged with offering Perigo \$250 and a 1964 auto to kill her husband. Perigo said he got the key to Ragan's home and a gun, but he and Nightwaine went to the house.

Ragan was shot twice. He is recuperating from his wounds.

Man wounded
Danny P. Hutchins, 24, of 2700 Myrtle Ave., was admitted to St. Elizabeth Hospital Saturday with a bullet wound to his left foot after a gun, allegedly held by a relative, discharged accidentally.

Thomas Hutchins, 36, of 1406 Edwardsville Road, his brother, St. Elizabeth Hospital Saturday with a bullet wound to his left foot after a gun, allegedly held by a relative, discharged accidentally.

Danny Hutchins said he was involved in a disagreement with his sister-in-law at her home at 6:35 p.m. Saturday when his brother displayed a gun to attempt to calm the situation.

Both brothers said the gun discharged accidentally. The bullet passed through Danny Hutchins' foot and was found in the floor of the home.

Boy recuperating
Danny William Arnold, 36, of 2700 Myrtle Ave., was injured when his bicycle and a hit and run motorist collided on Terrace Lane near Lindell Boulevard at 9:30 p.m. Thursday.

The boy said the oncoming vehicle swerved to go around a parked van and struck his bicycle, the impact throwing him over the handlebars. The other vehicle then left the scene.

He suffered abrasions to his left knee, back, left hand, left shoulder and both feet and was taken to St. Elizabeth Hospital where he was admitted.

Truck overturned
George J. Gower, 23, Collinsville, was injured when he fell asleep badly needed by panel truck and it overturned on Interstate 270 just west of Route 167 at 2 a.m. Saturday.

Witnesses said the truck went into the median and when Gower drove back onto the roadway, it overturned.

Miniature golf course is opened

Grand opening of the Lakeview Miniature Golf course was held last week. The course is an addition to Lakeview Driving Range located on Rt. 162 in Granite City.

Dr. Albert Tritan and Bob Schocker, co-owners of Lakeview Driving Range, believe that the 18-hole course enhances the already established driving range. "The people are having a good time," they commented, "and this is the important thing."

"We're getting families out here," said Schocker. "The parents like to hit a few balls on the driving range and the kids have a good time on the miniature course." He added that the facilities also are attracting many adults and teenagers to the miniature course and youngsters to the driving range.

Mothers were admitted at no charge on Mother's Day. In many cases, the entire family showed up to challenge the 18-hole miniature course.

The course, designed by Schocker, "keeps the people on their toes." The last hole is the biggest test; a hole-in-one there leads to a free game.

Both Schocker and Dr. Tritan insist on cleanliness and abiding by the rules, outlined on signs. They have sought to "make the course a pleasant experience for individuals and families."

Attractions of the driving range include "all the balls you can hit on weekdays between 9 a.m. and 3 p.m. for \$3"; "hit the bullseye and get a free bucket of balls"; and "get 10 punches on your card with each purchase toward another free bucket of balls."

Lakeview Driving Range is open every day from 9 a.m. to 10 p.m.

NEW MINIATURE GOLF COURSE which opened last week at the Lakeview Driving Range on Route 162 (East 23rd Street extension).

6-8 center will be cage Cougar

Jim Allen, a high school basketball player from Morrisville, has signed a letter of intent to enroll at Southern Illinois University at Edwardsville. A 6-8, 190-pound center, he could challenge for a berth on the varsity at one of the double-post positions in the Cougar offense.

At that position, SIUE has depth in freshmen Dan Donahue and Vince Barnett. Barnett averaged 7.2 points and 10.3 rebounds a game, while Donahue scored 9.5 points and pulled down 16.1 rebounds a game.

Allen, a four-year varsity starter, scored 28.5 points a game this season and averaged 13.7 rebounds. During his four-year career, he averaged 19.8 points and grabbed an average of 12.4 rebounds in 97 games. During his sophomore, junior and senior years, Morrisville had a combined 70-18 record.

GRANITE CITY PRESS-RECORD Mon., May 19, 1975 Page 9

Father and son top speedway winners

Russ Wallace of Arnold, Mo., piloted his Camaro late model stock car to a second straight feature race win here Saturday evening on the half-mile dirt oval of Tri-City Speedway.

Wallace grabbed the lead from St. Louisian Bob Miner on the second lap of the 25-lap event and was never headed the rest of the way to the checkered flag.

While the elder Wallace was celebrating his victory, son Mike Wallace was capturing the main event for sportsman class drivers.

Other late model division race winners were: First heat — Miner; second heat — Charlie Johnson, St.

Louis, third heat — Jimmy Moughan, Springfield, Ill.; fourth heat — Terry Spalding, Granite City; trophy dash — Wallace, Bill Meyers, Moughan, Gene Melloway and Joe Northrup.

Sportsman division victors were: First heat — Rod Bailey, Granite City; second heat — Chuck Milan, Stanton; feature — Wallace, Kris Krohn, St. Louis, Ron Crites, St. Louis, Jack Yates, Granite City and Dean Aerne, Granite City.

A home. Buy now or wait?

Is this the right time to buy a home? The only person who can answer this is you, the individual home buyer who knows his or her own needs and resources.

For many reasons people have postponed home purchases even though they need a home now and can afford one. Through our involvement in home loans and housing right here in our community, we consider ourselves experts in these areas, and we'd like to clear up some of the questions about today's housing market.

In contemplating a home purchase, you should focus on your own housing needs and ability to finance them. This will serve you better than trying to guess whether home prices are going up or down, or what the future level of mortgage interest rates will be. New predictions about economic trends appear every day—but no one can accurately predict the future.

One thing that is certain, mortgage money is more readily available than in 1974. Also, the supply of housing is becoming more plentiful.

The fact is that owning your home is still one of the best investments you can make, not to mention all the other benefits and satisfactions that go along with homeownership.

We have helped make this a community of homeowners, and if you are considering buying a house, we'd like to help you. You'll find us a worthwhile place to go for information about mortgage financing.

The Madison County Civil Defense Office is hosting an Illinois State University tornado seminar at the Granite City Army Installation on June 3. The seminar will last from 8 a.m. through 12 noon and will cover such topics as severe weather warning systems, introduction to wind damage, tornadoes and their loadings, pressure-implosion, negative explosion, a tornado film, tornado damage slides, identifying the best shelter, and questions and answers.

"Director Ted Todoroff comments, 'Tornadoes are a threat to life and property in all areas of Illinois.' 'There is nothing anyone can do to prevent a tornado, but there is a great deal everyone can do to minimize the danger to life. And, with proper design, buildings can be made to make buildings resistant to tornadoes.'"

"The State of Illinois has a state-of-the-art weather warning system in use. The question then becomes, 'What do I do when I hear over the radio that a tornado is on the loose?' This seminar will provide answers to this question."

"Objectives of the seminar are to convince participants of the need for planning to minimize the effects of tornadoes, explain the Illinois Severe Weather Warning System, provide knowledge of where help is available in planning for tornadoes, explain the mechanics of tornadoes, and provide information on tornado damage."

Births
Births recorded at St. Elizabeth Hospital.

GIRLS
Mr. and Mrs. Stanley Cuvier, 2321 Paul Ave., May 16, Christina Marie, six pounds, 12 ounces.

Sewer grant acceptance on board agenda

Action on a resolution accepting a grant of \$10,300,900 for the Four-Township Sewer Program in the Quad-City area was the first item on the agenda of the Madison County Board at Edwardsville Wednesday morning.

The grant offer has been made by the Illinois Environmental Protection Agency to aid in construction of sanitary sewer lines and interceptors to serve the unincorporated areas of Venice, Nameoki and Chouteau townships.

The board also is scheduled to consider a Mobile Home Code and the appointment of a coordinator for the Community Development Program. The board also will consider a resolution that the county not have any materials or supplies from companies or persons owing delinquent taxes.

Mrs. Florence Armstrong dies
Mrs. Florence (Couch) Armstrong of Ajo, Ariz., a former 25-year resident, died suddenly at 10 p.m. Saturday, following a massive heart attack.

Mrs. Armstrong, who observed her 62nd birthday that day, had been taken to a hospital in Ajo a few hours earlier after becoming ill at that location.

She was believed to be in good health and had returned earlier last week with a sister, Mrs. Charles (Alma) Plisk of Ponton Beach, from visiting their brother, Rowe R. Couch of Sutherland, Ore., who is suffering from a terminal illness. Mr. Couch also is a former resident.

A native of Ware, Mo., Mrs. Armstrong lived in Madison and Venice from her early childhood years until moving to Arizona about 30 years ago.

She operated a novelty gift shop in Ajo.

Mrs. Armstrong is survived by one daughter, Mrs. Larry (Carol) Blue of Phoenix, Ariz., two sons, Irvin Bergfield of St. Louis and Edwin Bergfield of Miami Beach, Fla.; two sisters, Mrs. Charles (Alma) Plisk of Ponton Beach, and Mrs. Duane (Alice) Boudreaux of Phoenix; one brother, Rowe R. Couch of Sutherland, Ore.; 10 grandchildren and three great-grandchildren.

Funeral arrangements are pending at a Phoenix mortuary.

Boy, 17
(Continued from Page 1)

Lake Drive, and decided to swim across the lake, which is about 175 feet wide at that point.

Charles Paul said as they were about half-way across the lake, James said he could not go any further and he grabbed the Paul youth, pulling him under the water. He broke loose and then made repeated attempts to find James under the water, but was unable to do so.

James was described as a good swimmer. The boys had eaten a late breakfast about 11:15 a.m. yesterday before going swimming, and officials speculated the boy suffered cramps.

His two companions were administered oxygen at the scene before being taken to the hospital.

Survivors include his mother, Mrs. Jeanine Kasson of Granite City; his father, James R. Kasson Sr.; two brothers, Donald James and Thomas Kasson, all of Granite City.

Funeral arrangements are given in the obituary column.

The drowning occurred two days after another 17-year-old youth, Harry Westfall of Alton, drowned in the Alton center authority here, and Godfrey. His body was recovered Friday by the Alton Volunteer Emergency Corps.

Born in East St. Louis, young Kasson had resided here two years.

GC Steel

(Continued from Page 1)

the Illinois EPA, Robertson contended.

Smith said in his affidavit to Johnson that about Jan. 30, a letter and packet of information and data from the state which was sent to the IEPA office.

The letter contained information "showing Granite City Steel to be in general compliance with applicable state law and containing the conclusion by an officer of Granite City Steel that it was in compliance with the applicable Illinois Implementation Plan."

Smith alleged that this conclusion was not adequately supported by the data submitted.

He said he attended the stack test at the BOP facility "but was, along with all state and federal investigators, refused access to the processing area during all but a very short period of time, thereby being prevented from viewing the process."

Smith also argued that he has been unable to obtain the conclusions of the company were based.

He further alleged in the affidavit that the station the company did submit "calculates it clear that the calculations were conducted using a longer period of time than the test equipment was on line, and the basic oxygen furnace operating."

"This necessarily reduces the volume of pollutants per unit of time."

By using time when no sampling occurred, Granite City Steel deviated from accepted engineering practice and the methods prescribed in the Federal Register," he asserted.

The affidavit continued that a stack test conducted by the company on carbon monoxide levels and that no results had been given to the IEPA.

The allegation was made that the second cycle of the BOP test contained only five minutes of oxygen blow.

Robertson said from my own knowledge — and have confirmed with metallurgical specialist Frank Sherman of the EPA — that this is wholly out of keeping with standard processes in the industry and, for that matter, the other cycles during the stack test. "Such an atypical process would necessarily decrease emissions," Smith alleged.

Two test cycles included pre-heating time, he said, asserting that this was inconsistent with the prior two cycles.

"The Environmental Protection Agency, without access to records, is unable to determine if this is representative of Granite City Steel's usual process," he related.

A final affidavit allegation, which came under strong protest by Robertson, was that EPA had a city order of confidentiality to Granite City Steel in reviewing the records.

He requested a court order allowing the search warrant to stand and giving temporary custody of the records to the EPA. "A distinction is to be made between search and seizure during an arrest, and search and seizure under this act."

"A reasonable person could not conclude that a crime was committed."

"It isn't a bank robbery. It isn't a crime of violence. In fact, we contend it isn't a crime at all."

"This is not the basis for a criminal complaint — not the basis for search and seizure. It's not even a 'white collar' crime."

"It is clear that this is not a criminal case. It's merely an investigation," he concluded. Judge Schuman told attorneys for both sides, "The court is sufficiently advised. I will read the briefs and take this under advisement."

Study arson as cause of \$7,000 fire

The state fire marshal's office is investigating the cause of a fire which caused an estimated \$7,000 to a home owned by Venice Assistant Police Chief Raymond Mikolaszuk and occupied by Mr. and Mrs. John Cavender at 106 Granville St., Venice, Friday night.

Venice firemen were called to the house at 10:40 p.m. Friday and one fireman commented, "The house was engulfed in flames when we arrived with fire coming out the windows. It had not yet gone through the roof, but it did in some areas later."

The fire seemed mainly in the basement and the attic," he added. Firemen were at the scene until 12:30 a.m.

Since the fire seemed to have started in the basement and the attic with only a small amount of fire in the main floor when firemen arrived, some firemen speculated fire had been set in both places and therefore suspected arson.

Mikolaszuk disagreed. He said he studied the gutted home and it appears the fire started in the area of the furnace and electrical wiring in the basement and went up through the wall to the attic. "There also was quite a bit of damage to the first floor," he said.

The occupants were not at home when the fire started and have not yet contacted officials, it was reported.

Fireman said they had fairly easy access to the basement, but had to chop several holes in the roof to extinguish the fire in the attic.

Fire department damage estimates were \$3,000 damage to the building and \$800 to the contents. Mikolaszuk said he feels the estimates are low and said the building will cost at least \$7,000 to repair. He did not know the loss to the contents, but said, "They are some really nice stuff in there."

Venice Fire Marshal Charles Burger examined the gutted home and called a state investigator. Both examined the home Sunday. The cause of the fire is under study.

Nimoy, who starred as a pointy-eared "Vulcan" in the 1960s science fiction television series, Star Trek.

Nimoy's comment was, "Do you suppose he would have come here if he knew he was going to win \$300,000?" Even in science fiction and theatrical circles, he indicated, such a sum of money is impressive.

MR. AND MRS. ROBERT GEROFF, whose wedding took place at St. Liborius Catholic Church in St. Libory, Ill. The bride is the former Miss Rosemary Lintker, a daughter of Mr. and Mrs. Raphael Lintker of Venedy, Ill.

Rosemary Lintker and Robert Geroff married

Miss Rosemary Lintker, a daughter of Mr. and Mrs. Raphael Lintker of Venedy, Ill., and Robert Geroff, son of Dr. and Mrs. Steve Geroff, 3322 Princeton Drive, were united in marriage in an early evening service on May 2 at St. Liborius Catholic Church in St. Libory, Ill.

The double ring ceremony was performed at 5 o'clock by the Rev. William Brandmeyer and the Rev. Rochel.

Nuptial selections included The Lord's Prayer, "Sunrise, Sunset" and "The Wedding Song."

Escorted to the altar by her father, the bride was given in white organza. Her full-length dress was fashioned with a tucked bodice and a Venice lace overlay.

Lace daisy appliques accented the cuffs of the long sheer sleeves, and accented the full skirt and deep flounce of the circular train.

Matching lace motifs outlined her elbow-length veil, and she carried a cascade of white carnations, roses and baby's breath.

Maid of honor Miss Linda Lintker, a sister of the bride, and the bridesmaids, Miss Mary Helen Geroff, the groom's sister, and Miss Laura Kramper, a cousin of the bride, chose gowns made in identical style.

Their frocks of orchid voile were trimmed in white lace on the Empire bodices and short puff sleeves. The semi-full skirts terminated in a ruffled flounce.

Each attendant held an arrangement of orchid and white daisies and baby's breath, festooned with matching colored streamers.

Stephen Geroff, a brother of the groom, served as best man. David Lintker, the bride's brother, Mike Economy, Joseph Lauchefeld, a cousin of the bride, and Kenny Rodgers

completed the corps of groomsmen and ushers.

Guests were received by the newlyweds at a reception held at the American Legion Hall in St. Libory. The rehearsal dinner was served at Fischer's Restaurant in Belleville.

A 1972 graduate of Okawville High School, the bride is now employed by the National Collection Group, St. Louis.

The groom is a 1970 graduate of Granite City High School and also graduated from Bailey Technical School, St. Louis. He is now attending Lewis and Clark Area College and works as an apprentice millwright at Chemetco Metals Corp.

They are now residing in Granite City following a honeymoon trip to Tah-Tar-A Resort in Missouri.

For her daughter's wedding, Mrs. Lintker selected a long pale blue gown. The groom's mother, Mrs. Geroff, was attired in a formal length dress in pastel pink.

Both mothers wore corsages of daisies in hues to match their gowns.

Richard Loyets mark 25 years

Mr. and Mrs. Richard (Jeanette) Loyet, 2928 Indiana Ave., were honored on their 25th wedding anniversary last week at a reception given by their children.

The honorees received 100 guests at a buffet dinner and reception which also featured music for dancing. Blue and yellow decorations were used throughout the hall in keeping with the original wedding colors.

Mr. and Mrs. Loyet were married on May 13, 1950, at St. Joseph Catholic Church.

Hosting the affair were Mr. and Mrs. Richard (Diana) Loyet, a son and daughter-in-law, and Deen, Tim and Clifford Loyet.

GC Future Secretaries elect

Nancy Bezan, a South High School student, was unanimously elected president of the Granite City High School Future Secretaries Association at its concluding meeting of the school year held last week at the South High.

Other officers elected were Bonnie Ross, vice president; Rhonda Brawley, corresponding secretary; Kathy Jones, recording secretary; Becky Batson, treasurer; and Jean Greer and Cindy Large, board members-at-large.

The board of directors will meet in the fall to plan educational programs for next year. It was reported. Grades of secretarial students will be checked during the summer to ascertain those eligible for membership in FSA, and letters will be sent to those students found to be eligible by mid-September.

Vice-President Dorothy Miller presided and the roll was called by Jo Elaine Foster.

Carol Schierjohn gave the treasurer's report.

A report on the banquet at Charlie's Restaurant was given by Cindy Large, who was presented with an FSA charm bracelet by the Tri-Cities Chapter in recognition of her earning the title, Miss Junior FSA. The title of Miss Senior FSA and a check for \$25 was won by Sheryl Patton, FSA president.

Senior students who participated in the "Day in the Office" program each summarized their experiences. Reports were given by Jo Elaine Foster, Cheryl Davis, Cathy Burris and Dorothy Miller.

Mrs. Lucille DeLay, faculty advisor who is planning a leave of absence, announced she will resume her active role with the FSA group when she returns to school.

Regular meetings of the chapter, discontinued during the summer, will resume in the fall, Miss Bezan reported.

MISS NANCY LEE EDWARDS, whose engagement to Curtis E. Morgan is being announced by her parents, Mr. and Mrs. Joseph W. Edwards, 12512 Springtrail, Florissant, Mo., former residents. An Aug. 30 wedding is planned.

Morgan-Edwards engagement

Mr. and Mrs. Joseph W. Edwards, 12512 Springtrail, Florissant, Mo., formerly of Granite City, are announcing the engagement of their daughter, Miss Nancy Lee Edwards to Curtis E. Morgan of Peoria, Ill.

Plans are being completed by the engaged couple for an Aug. 30 wedding at the Chapel of the Cross in St. Louis County.

Miss Edwards was graduated in 1972 from Granite City High School.

Her fiancé, a student at Western Illinois University at Macomb, is a member of Lambda Chi Alpha Fraternity.

Fatima Circle 835 appoints delegates

Mrs. Mary Horvat, chancellor of Our Lady of Fatima Circle, 835, Daughters of Isabella, conducted the May meeting at the Knights of Columbus Hall.

She announced Mesdames Marionrose Lambert, Irma Manning, Peggy Crnkovich, Clara Schillinger, Vera Carey, Del Miller and Miss Dorothy Hoedebeck will attend the state convention in Chicago this month.

Refreshments were served to 30 members by the hostesses, Mesdames Emma Jackich, Mary Horvat, Katherine Jenkins, Delores Klesh, Gladys Kolsher, Veronica Kula and Misses Clara and Dorothy Hoedebeck and Mary Kastelic.

NEWLY-ELECTED OFFICERS of the Granite City High School South Future Secretaries Association who will serve in the 1975-76 school year. From left to right are Bonnie Ross, Becky Batson, Kathy Jones, Nancy Bezan, president; Cindy Large, Jean Greer and Rhonda Brawley.

HOME FROM VACATION
Mayor and Mrs. Floyd Moss have returned from a vacation trip to Myrtle Beach in South Carolina and to other points of interest.

MARINE PROMOTED
Marine Private First Class Anthony C. Ragdale, son of Mr. and Mrs. Charles E. Ragdale of Venice, Ill., has been promoted to that rank while serving with the 3d Marine Division on Okinawa.

GOOD NEWS for folks who have no pension plan!

Individual Retirement Accounts

The new Pension Reform Act allows millions of Americans, who have not had the benefits of an employer or union sponsored pension plan, to set aside Tax-Free dollars for their retirement. The Individual Retirement Account (IRA) is an important part of the new Act.

The big tax-savings in the IRA plan are available to you if you are not now actively participating in a tax-qualified pension plan. And working for a company that has a pension plan does not disqualify you until you are actually included in the company's plan.

The IRA plan is open to both full-time and part-time employees, including a spouse working full or part time, students with part time jobs, and self employed individuals not covered by the Keogh plan.

Come in, write, or phone 452-1313. Ask for Larry Gipe or Harley Davis. They'll be glad to answer all your questions and you'll get informed advice in putting this plan to work to your greatest advantage. Keep in mind that the sooner you start, the earlier your savings begin to earn and grow.

Mon., May 19, 1975 Page 14

Short weight in fertilizer bags alleged

Bags of fertilizer marked 50 pounds but holding, in some cases, less than 40 pounds have been offered for sale in Illinois, an investigation by the Illinois Department of Agriculture showed Wednesday.

Director Robert J. "Bud" Williams said he and his staff in the Bureau of Products Inspection and Standards "won't tolerate these practices and are determined to stop the rip-off."

The weight discrepancies were discovered by farmers who thought the bags they had bought seemed light and confirmed their suspicions by weighing them.

Calls to the department prompted an official investigation which showed short weights as high as 25 per cent. Williams said the fertilizer, which costs \$232 a ton, averaged about eight pounds short per 50-pound bag. He said this meant such farmers got an average of 38¢ worth of fertilizer less than they should have for every ton they thought they were buying.

The department is withholding the name of the producers involved pending any action by state's attorneys' offices; however, Williams said the problem was mainly with a starter fertilizer for corn.

He said farmers should check that they are getting honest weight for what they pay and, if there are problems, they should notify his department.

Chief Mary Harpster, who headed the investigation, said dealers told him that they had noticed the shortages, but did not notify the state for fear that the supplier would cut them off in a time of possible shortages.

Williams said he didn't have any evidence of criminal intent. "I don't care whether it's just incredible sloppiness or an attempt to cheat — either way it's our job to see the buyer gets honest weight."

"Anybody who persists in short weighing is going to find it difficult to do business in Illinois. I'm not going to sit still and see farmers taken," Williams concluded.

Summer workshops on elementary education

Explorations in open education, early childhood education, individually guided education, and career education are among the topics highlighted in elementary education workshops being offered by Southern Illinois University during the summer quarter.

Although the majority of the workshops will be offered on campus, a number of the programs will include trips to such places as the Froebel Institute in London and the Trenton (Tenn.) Environmental Education Center in Great Smoky Mountains National Park, as well as seminars in Holland, Austria, Germany, Switzerland, France and Belgium.

The workshops, in order of beginning dates, are as follows: June 15-21 — Problems in Environmental Education — The workshop will be held at the Environmental Education Center in Great Smoky Mountains National Park.

June 16-27 — Career Education — Participants will explore its dimensions and examine its place, as well as its use, of new materials in the elementary curriculum.

And Problems in Early Childhood Education — This workshop will implement successful methods of screening kindergarten age children and demonstrate effective techniques in establishing and maintaining parent volunteer programs.

June 23 — July 11 — Piagetian Psychology and the Education of Children — The course will take place in the Froebel Institute in London with regular class visits to Julian's Primary

Services held for mother of GC man

Funeral services were held at 1:30 p.m. Saturday at the Zion Lutheran Church, Carpenter, Ill., for Mrs. Anna A. Ashauer, 82, of Carpenter, who died Wednesday at Colonial Haven Nursing Home, Granite City. Survivors include four sons, Henry W. of Granite City, Carl and Wilbert, both of Edwardsville, and Andrew of Worden; a daughter, Mrs. Ann Urban of Edwardsville, and two sisters.

School and will include side trips to other educational facilities.

June 19 — July 7 — Organization and Management of Early Childhood Programs — Eighteen days of seminars in Holland, Austria, Germany, Switzerland, France and Belgium will provide an environment for the study of current administrative trends in early childhood education; participants will also concentrate on installing new practices into existing programs.

July 7-18 — Individually Guided Education — This course will be primarily concerned with educating teachers and other educational personnel in both awareness and maintenance in regard to individually guided education.

And Problems in Aero-Space Education — In order that students might utilize aerospace sciences as valuable learning resources, this workshop will assist teachers in creating instructional tactics and strategies to achieve such a goal.

July 21 — Aug. 2 — Teaching Competencies and Their Application — Through a systematic approach, this workshop will explore the process of individualizing and personalizing instruction through competency-based education.

And Problems in Open Education — An intensive workshop experience in organizing and super-visiting an open classroom.

Aug. 4-14 — Environmental Education — The focus of this workshop will be the use of outdoor facilities as a means for

teaching ecology and environmental understanding.

And Problems in Corrective Reading — Particular attention will be given to methods of individualizing the instructional program as well as reviewing the role of the teacher in dealing with problem readers.

Aug. 14-23 — Problems in Adult Reading — Concentration will be placed on the philosophy, methods, techniques and materials used in teaching adult disabled readers.

Also, Piaget's Theory of Intellectual Development — The purpose is for participants to comprehend and develop useful applications of Piaget's theory in early childhood education.

Also, Elementary School Curriculum — A course dealing with the reorganization, adoption, installation and administration of the revised elementary school curriculum.

And Investigations in the Language Arts — Emphasis

will be placed on the synthesis of many language arts, alternative patterns and choices.

Language art programs ranging from the traditional to the innovative will be evaluated.

And, concluding the Aug. 14-23 period, Leadership Roles in Early Childhood Education — This workshop is designed to aid students in evaluating different classifications of interpersonal relationships as well as communication skills and role relationships.

Additional information on the workshops may be obtained by contacting the Elementary Education Department at SIUE.

"EVERYTHING FOR THE OFFICE"

Secretaries elect Mrs. Smith

Ninety-one Future Secretaries Association members from the Granite City, Madison and Breese high schools attended the May meeting of the Tri-Cities Chapter, National Secretaries Association (International), held at Charlie's Restaurant.

Honored guests included Richard Moore, Granite City "Business Teacher of the Year," and business teachers, Miss Hazel Towery and Mrs. Lucille Delany, Granite City High School; Lee Ashby and Mrs. Beverly Imming, Madison High School; and Mrs. Both Wilton, Breese High School. Also in attendance were Mrs. Richard Moore and Mrs. Leo Ashby.

After dinner, \$25 gift awards were presented to the senior FSA member from each high school who accumulated the most points during the past year. The winners were Sheryl Patton, Granite City; Juby

Miller, Madison; and Debbie Schumacher, Breese.

Following the presentations, the local NSA chapter held its business meeting with Mrs. Sally Gracey, president, in charge.

The nominating committee chairman, Mrs. Linda Fritchey, read the 1975-76 slate of officers and an election followed.

Those elected are: Mrs. Anne Smith, president; Mrs. Gail Foley, vice-president; Mrs. Joyce Savitch, recording secretary; Miss Maria Kraus, corresponding secretary; Mrs. Lana Randolph, CPS, treasurer; Mrs. Linda Fritchey, board member-at-large. The installation of new

Mrs. Moser is club hostess

Tiny May baskets filled with arrangements of spring flowers were used as favors with larger bouquets of early blooming flowers to decorate the tables at a luncheon meeting last week of the Thurgate Garden Club.

Members met in the home of Mrs. Caroline Moser, 3006 Yale Ave. Mrs. Mary Markham gave the invocation.

Each woman arrived wearing a spring hat designed with original adornments, including flowers, bows and decorative netting.

Mrs. Betty King's "share" hat featured garish buttons, later distributed to the members.

First prize for the best creation went to Mrs. Frances Polley and second place was awarded to Mrs. Helen Polley.

Mrs. Marilyn Deatherage read the favorite "thought for the day."

Plans were finalized for the Guest Day Brunch to be held June 10 at Hope Lutheran Church to conclude the club's meetings until September.

Others attending were Miss Jean Bethel, Miss Jean Markham, Mesdames Lillian Delpe, June Lutz, Beulah Miller, Patricia Polley and Clara Schilling.

officers will take place at the June meeting.

Mrs. Lana Randolph, chairman of Secretaries Week, held in April, reviewed chapter activities, and Mrs. Gracey said about 10 members will attend the Illinois Division meeting in Chicago when Miss Tolia Edmonds of the local chapter will relinquish the office of state treasurer, a post she has held the past two years.

The June 5 meeting will be a picnic at the home of Mrs. Mary Sedekum on Dunlap Lake, Edwardsville.

Pontoon Beach & Stallings

MRS. LUCILLE MARTIN
4010 Breckenridge Lane
931-0731

MOTHERS HONORED

Mr. and Mrs. William Dickerson and son, Tim, had as dinner guests her grandparents, Mr. and Mrs. A. J. Leach of Fredericktown, Mo., Mr. and Mrs. Claude Hovis of Fenton, Mo., Mr. and Mrs. Leoman Leach and children, Lisa and Lori of Collinsville.

Also, Mrs. Melba Gentry of Arnold, Mo., Mr. and Mrs. Jess Dickerson of Fenton, Mo. and Mrs. Kenneth Allen and children, Russell, Mike and Sheri, Mr. and Mrs. Virgil Collins and daughter, Rita, and Mrs. Terri Beth and daughter, Amy.

Five generations were represented, and all attended church services Sunday morning at Cedar View General Baptist Church, where Mrs. North was presented a flower as the youngest mother present and Mrs. Dickerson was honored as the youngest grandmother.

Mrs. Edie Smith was recognized as oldest mother and Mrs. Betty Smith was cited for having the most children present.

During the service, flags were dedicated in memory of Henry Green and Walter Schell.

Those visiting the Anna Henry Nursing Home at Edwardsville were the Rev. and Mrs. Randolph Hickerson, Mrs. Jewel Black, Mrs. Chris Williams, and Mrs. Pat Dickerson and granddaughter, Amy Bethel. There was community singing, and special music was presented.

MARRIED. Mr. and Mrs. William Schwierjohn, whose wedding took place at Sacred Heart Catholic Church. She is the former Miss Karen Couch, a daughter of Mrs. Louise Couch, 4021 Pontoon Road.

Miss Karen Couch weds William Schwierjohn

The Rev. Daniel Flynn officiated at a 2 p.m. double ring ceremony on April 12 at Sacred Heart Catholic Church, uniting in marriage Miss Karen Couch and William Schwierjohn.

Mrs. Margaret Crawshaw presided at the organ and accompanied her daughter, Margaret, who sang "The Lord's Prayer," "We've Only Just Begun" and "More."

The bride is a daughter of Mrs. Louise Couch, 4021 Pontoon Road. The groom is a son of Carl Schwierjohn, 2700 Lincoln Ave., and the late Mrs. Florence Schwierjohn.

A full-length white gown accented with lace on the fitted bodice and long sleeves was worn by the bride. Lace was repeated on the full skirt.

She chose a lace mantilla veil and held a bouquet of red and white roses, encircled with baby's breath.

The maid of honor was Miss Barbara Kissel, a former roommate of the bride. Miss Carol Schwierjohn, the groom's sister, was bridesmaid.

They selected identically styled dresses in yellow and pink enhanced with embroidered yokes and long sleeves, tightly cuffed at the wrists.

Each carried a basket of daisies, carnations and baby's breath in colors to match her gown.

The groom chose his brother, Jim Williams, as best man. Marvin Davis was groomsmen and Bill Brookshire and Wendell Wilcox, a cousin of the groom, seated the guests.

Wes Couch escorted his sister to the altar and gave her in marriage. Registering the guests at the church were Miss Hetsy Christopher and Teddy Couch, a brother of the bride.

Mrs. Couch, the bride's mother, was attired in a gown of floral chiffon over taffeta made with long sleeves. She wore a corsage of pink carnations.

A reception was held in the church hall immediately following the ceremony.

Both young people are graduates of Granite City High School. The bride is employed at First Granite City National Bank. Her husband is employed as a manager by Clark Oil Corp., in East Alton.

MR. AND MRS. MARK A. BRANDT whose wedding was solemnized at St. John United Methodist Church, Edwardsville. The bride is the former Miss Catherine M. Fleming, a daughter of Edward F. Fleming of Edwardsville and Mrs. Marjorie S. Fleming of Granite City.

Catherine Fleming and Mark Brandt are wed

Miss Catherine M. Fleming and Mark A. Brandt exchanged wedding vows in a double ring ceremony on April 18 at St. John United Methodist Church, Edwardsville.

The Rev. William Lewis officiated at the candlelight service. A reception followed at the Haniel Community Center.

Parents of the bride are Mrs. Marjorie S. Fleming of Granite City and Edward F. Fleming of Edwardsville. The groom is a son of Harry J. Brandt of Edwardsville and Mrs. Joane Siedhoff of Holiday Shores.

For her wedding, the bride chose a long white gown designed with a high ruffled neckline and long sheer sleeves. A decorative lace trim accented the bodice and formed a front panel on the short full skirt. Her mantilla veil was held in place by a lace headpiece, and she carried a bouquet of white roses and baby's breath.

Miss Margie A. Fleming and Miss Joanne M. Fleming, sisters of the bride, served as honor attendant and bridesmaid. They were attired in green knit dresses and held arrangements of yellow daisies and baby's breath.

Gary Fleming a brother of the bride, attended the groom as best man. Dennis Compton was the groomsmen.

Jaimee and Jimmie Siedhoff, twin sister and brother of the groom, served as flower girl and ringbearer.

The bride is employed at the First Federal Savings and Loan Association in Edwardsville. Her husband works at American Steel Foundries in Granite City.

They are now residing at 8 Abner Place, Edwardsville.

Wins award, Australia-bound

Austin Lewis Jr., 1984 Fourth St. Madison, has been selected as the recipient of the Edward Thomas Mason Award as the outstanding male student in Business Education for 1975 at Southern Illinois University at Edwardsville.

Lewis, a graduating senior, is the son of Mrs. Louise Lewis of Madison and the late Judge Austin Lewis. He received the award at Honors Day ceremonies held yesterday at the SIUE campus.

In notifying the award recipient, Robert A. Schultheis, chairman of the SIUE Business Education Department, said the award carries a \$50 grant given by Edward T. Mason, a resident of Edwardsville.

Lewis, a 1971 graduate of Madison High School, played quarterback for the Trojan football squad and was named to the metropolitan area "Scholar-Athlete Team" as a senior by the St. Louis Post Dispatch.

He has been accepted in the Victoria Teachers Selection Program and is planning to leave in August for Victoria, Australia, where he will teach business education at the high school level for a 16-month period.

AUSTIN LEWIS JR.
SIUE Award Winner

In addition to his academic career, Lewis is a professional musician and has performed as drummer with Art LaVelle's Statelights for several years. He also teaches drums at Johnson Music Store in Granite City.

Keiser-Aufderheide betrothal

Mr. and Mrs. Ralph Aufderheide, 2113 Richmond Ave., are announcing the forthcoming marriage of their daughter, Ann, to Steven Keiser of Urbana, Ill. He is the son of Mr. and Mrs. Howard Keiser of Clearwater, Fla.

Miss Aufderheide is a 1969 graduate of Granite City High School. She received her B.S. degree in 1973 and her master's degree in 1974 in speech and hearing sciences from the University of Illinois at Champaign-Urbana. She presently is employed in Ploomsboro, Ill., as a speech and language clinician.

Her fiance graduated in 1968 from Mount Zion High School. He received his B.A. degree in 1973 in speech and hearing sciences and his master's degree in 1974 in special education from the University of Illinois. He is currently on the staff of the Institute for Research on Exceptional Children at the University of Illinois.

An Aug. 16 wedding is planned at the Hope Lutheran Church in Granite City.

Petitions back reform of criminal justice system

Petitions carrying 39,000 signatures in support of Gov. Dan Walker's criminal justice reform proposal were presented to the governor and Rep. L. Michael Getty (D-Dolton) Wednesday.

Getty is the sponsor of House Bills 508 and 509 to study the reform proposal.

The study, to be conducted by a House Judiciary subcommittee, will begin this summer after the legislative session.

The petitions were circulated by Rockford Alderman George Didier, whose son, Joey, was kidnapped, molested and found dead last March.

The study panel will perform the function outlined in Getty's bill to "study and make recommendations concerning the restructuring of the Illinois criminal justice system—including sentencing, the relative merits of determinate and indeterminate sentencing, parole, court services and probation."

In announcing his support for the legislative study, Gov. Walker said, "Soaring crime

rates—not only in Illinois, but throughout the country—should be sending public officials a message.

"We have to come up with a system that will make the lawless afraid. We need swift and sure punishment. And tougher punishment."

"One new plan calls for tough, determinate sentences. 'You commit a crime, you are convicted, you go to jail for a definite term—five years, ten

years. Not one to ten; not one to twenty."

Gov. Walker proposed a study by the legislature, along with hearings.

"We should hear from the men on the firing line—the police, the state's attorneys, the judges, the people," Walker said, adding:

"This proposed system may work. It may not. But we should study it. If it looks good, then we'll go ahead."

GC crimes show increase

Major crimes occurring in Granite City during April increased 52 per cent over those of the same month of the previous year, according to a report issued by Chief of Police Ronald Veier.

A total of 269 crimes in eight separate categories was reported last month, an increase of 85 over 176 crimes reported in those same categories in April 1974, the report shows.

Most of the increase resulted in the categories of assault, burglary and theft from autos. Increases also were noted in the other classes of major crimes—robbery, larceny and auto theft. There were no criminal homicides or forcible rape cases in the city during April, compared to none in either of these

two classes in April of the previous year.

The report shows that the total number of traffic accidents also increased in April this year, compared to those of the same month in 1974. A total of 158 accidents was reported last month, compared to 122 in April 1974. There were no fatal accidents in the city last month, and none was reported in the same month a year ago.

The Police Department last month made 180 traffic arrests and 124 other arrests for a total of 304. Seventy-two additional charges were filed in these cases for a total of 365 charges, down 32 from 397 charges filed in April 1974, according to the report.

In April a year ago there were 212 traffic arrests and 112 other arrests for a total of 324, with 73 additional charges filed.

Major crimes last month included seven robbery cases, up three; 32 assault cases, up 12; 81 burglary cases, up 37; 46 auto burglaries, up 29; 81 larceny cases, up eight; and 22 auto thefts, up four.

The 158 traffic accidents last month included 37 injury accidents in which 37 persons were injured, compared to 26 injury accidents in which 32 persons were hurt in April a year ago. One hundred-nineteen property damage accidents occurred last month, up from 96 the previous year.

GRANITE CITY PRESS-RECORD

Mon., May 19, 1975 Page 17

Locks for recreation craft to be discussed

The St. Louis District, U.S. Army Corps of Engineers, will conduct an initial public meeting June 9 to discuss development of independent small recreation craft locks or other facilities on the upper Mississippi River pools.

The meeting is one of four being conducted by the Corps in locations along the upper river.

The meeting for this area will be held at 7 p.m. Monday, June 9, in the Mayan Room of the Bel-Air East Motor Hotel, 4th and Washington, St. Louis.

The study, directed by Congress, seeks to examine the advisability of providing separate locks or other means for independent passage of recreation craft.

Increased usage of the river pools by these smaller vessels has created a possible need for measures to be undertaken to avoid conflict with commercial traffic and for safety reasons, a spokesman said.

The St. Louis session will address the Missouri and Illinois part of the Corps study. Separate meetings for Wisconsin, Minnesota and Iowa also are scheduled.

All interested parties are invited to attend and are urged to present evidence or data which might assist the study effort.

Technological, economic, ecological and environmental information for the area from Lock and Dam No. 22 south of Hannibal to Locks and Dam No. 26 at Alton is particularly requested in the St. Louis session, it was noted.

Representatives of federal, state and local agencies, agricultural, business, commercial, industrial, transportation, utilities, civic, environmental, boating and recreation, fish and wildlife groups, as well as property owners and other concerned citizens are welcome to attend the meeting and to submit statements.

While oral comments are acceptable, the Corps stresses the need for written testimony to assure accuracy and to aid smooth conduct of the proceedings.

Such written statements may be mailed to the St. Louis District offices or handed in at the meeting. The statements may be briefed orally at the session.

Final selection of a plan or recommendation will be made only after full consideration is given to the views of the groups,

organizations and citizens. There is no indication, however, that the federal government will undertake any improvements or programs. Such programs could only follow after authorization and funding from Congress.

The Corps' St. Louis District has in the past two years set aside special lockage times for recreation craft at some locks.

A survey of river usage made two years ago indicated that 43,000 boats of all classes and types were registered in the 180 miles of the river in the district boundaries.

The peak day count of boats using the pools showed 700 using Pool 24, 1,300 in Pool 25 and 4,000 in Pool 26 above the Alton Dam. Over the past few years, these numbers have increased significantly.

Those wishing to send statements to the Corps offices may address them to the St. Louis District, U.S. Army Corps of Engineers, 210 N. 12th St., St. Louis, Mo. 63101.

Registration at university

Registration by appointment for the summer quarter at Southern Illinois University at Edwardsville will be held in the Meridian Ballroom of the University Center May 27 and 28 from 8:30 a.m. until 7 p.m.

C. B. Collier, assistant registrar, said registration without an appointment is scheduled May 29 and June 19 during the same hours.

New students must be admitted before registering. Any former student who has not attended SIUE for the past year must be readmitted to the university.

Application forms are available at the Admissions Office in the General Office Building; it is not too late to apply for admission, Collier said.

Classes for the summer quarter will begin June 23. Final examinations for the spring quarter are scheduled for June 8-14. Commencement exercises will be held June 13.

MADISON COUNTY, ILLINOIS

COUNTY OF MADISON, A

SUBDIVISION OF THE

STATE OF ILLINOIS

IN THE MATTER OF

Help

(Continued from Page 1)

"National Suicide Prevention Week" and is conducting a public awareness campaign to focus attention on this escalating problem.

Persons knowing someone who is threatening to commit suicide or who is showing other signs of possible suicidal behavior are being urged to call the local Crisis Intervention Center, or a family physician, hospital or clergyman.

Help is available, but the problem is that many people do not take advantage of that help until it is too late, workers at the local center said this week.

"Don't assume that your friend wouldn't really commit suicide and then be embarrassed to talk about it. Your action may save a life. Those trained to help the possible suicide victim stress that the signals are not for the most part subtle or obscure, but often unmistakable and blatantly obvious.

The suicide threat is so obvious that you wouldn't expect to have to tell people that it is a warning sign—the truth of the matter is that it is usually ignored.

Most people believe the fatalistic incorrect adage that those who talk about suicide don't do it. Or they shun it off because the person, in their opinion, is not "the type" to commit suicide. One day that person takes his or her life and their friends are totally bewildered, the crisis center personnel explained.

Frequently, people are caught off guard because they don't realize that suicide is such a common problem.

"Suicides usually are played down and many are inaccurately reported. As a result, people aren't aware of how widespread the problem really is," according to Mrs. Nancy H. Allen, president of the American Association of Suicidology.

About 30,000 Americans will take their own lives this year, it was learned in many cases the fact that they were suicides will be kept quiet to protect the family from embarrassment. In some instances, to keep from losing out on insurance money.

People also fail to accept the concept that their friends or relatives might be suicidal.

3 recovering after surgery

Patients at St. Elizabeth Hospital who have undergone major surgery since Thursday, Fred Gibson, Edwardville; Thomas J. Donahue, Edwardsville; Adrian R. Tesh, 2158 Woodlawn Ave.

because they believe that only those who behave in a bizarre manner will commit suicide. Apparently this belief is an established fact as most persons ignore a suicide threat, or comments such as "I might as well be dead," simply because they don't believe it is possible for that person to commit suicide.

What most people do not realize, however, is that suicide is common in all types of people and in all segments of society. Suicide often happens to depressed people, who appear to be very calm on the surface because they are generally quiet.

Suicide threats are not the only sign of impending danger, the Crisis Intervention Center personnel warn. People often prepare for their deaths very carefully before taking their lives, it was learned.

A young person may give away his prized possessions, such as his favorite records or his skis. An older person may take special pains to make sure that his insurance papers are in order and that other matters are properly taken care of, they explained.

To reverse the climbing suicide trend, people must recognize the danger signals and follow through by getting help, the center workers stressed.

Ronald Randall, who holds a master's degree in social work, is coordinator of the Crisis Service at the Quad-Cities Center, 2024 State St.

Crisis workers at the local center are Pat Bonan, Carla Campbell, Tom Soren and Michael Salinger.

Remember, never assume that a friend will not really commit suicide just because he has threatened before and failed to go through with his threat; don't be embarrassed to talk about the problem; and take advantage of the available help before it is too late, crisis center workers emphasized.

Kathy Cross is new May queen

The 1975 May queen of Granite City High School South, Kathy Cross, will reign over this year's mammoth May Day program to be presented by girls' physical education classes at 8 p.m. Friday in the Memorial Gymnasium.

Tickets are expected to be gone before the evening of the performance, but some are still available this week. They are being sold before and after school daily at the South girls' gymnasium.

The new queen is the daughter of Mr. and Mrs. Charles Cross, 3240 Newell Drive.

First attendants are Kim Seybert, daughter of Mr. and Mrs. John Seybert Jr., 2421 Iowa St., and Paula Williams, daughter of Lt. Col. and Mrs. Bruce Mott, 1713 Garfield Ave.

Second attendants to the queen are Kathryn King, daughter of Mr. and Mrs. Charles King, 2802 Fortune Drive, and Connie Sudholt, daughter of Mr. and Mrs. Kenneth Sudholt, 3801 Fair Oaks Drive.

"Picture This" is the theme of this year's May Day.

The annual event honoring senior girls is sponsored by the Girls' Athletic Association.

Miss Cross will be crowned by the reigning Homecoming queen, Miss Terri Moran. Pages will be Leslie Houser, Kathy Hill and Colleen Kindle.

After the senior girls' professional and the coronation, entertainment will be provided by girls' physical education classes in the form of dances, drills, tumbling exhibition and pageants.

Admission is free and the public is invited.

COOLIDGE JHS BAND CONCERT THURSDAY

The annual spring concert of the Coolidge Junior High School Band will be presented at 8 o'clock Thursday night in the Granite City High School South Auditorium. The band is under the direction of Miss Elsie Mayhew.

Admission is free and the public is invited.

School rates

(Continued from Page 1)

extended in the cities of Venice and Madison, Mrs. Bowles announced. These include a 1974 tax rate of \$1.375 for the city of Venice, up 13.7 cents over last year's \$1.242, and a new rate of \$1.071 for the city of Madison, up 4.9 cents over the 1973 rate of \$1.022.

Also increased this year are tax rates for Venice Township, the township tax rate dropped from 26.3 cents last year to 27.1 cents in the new rate, but the tax for road and bridge purposes increased 16.3 cents to a new rate of 31.2 cents.

The Mitchell Fire Protection District rate was set at 30 cents per \$100 valuation, up 6 cents from last year's 24.4 cents.

The Nanticoke Township rate has been extended at 26.3 cents per \$100 assessed valuation, up 4 of one cent, while the road and bridge fund rate was set at 36.9 cents, up 6 of one cent.

Veeder honored

Retiring Chairman Nicholas P. Veeder of Granite City Steel was honored with a "This is Your Life" program Thursday night at a dinner of the Granite City Steel Management Club, held at the Missouri Athletic Club.

President Frank Harris presided and guests included William Getty of Florida, retired president of the Jones and Laughlin Steel Co.

Russell Solomon coordinated the program and it was directed and written by Norman Garrett, with Joyce Harris in charge of the music.

Participating in the program were Lorraine McKay, James Todd, Barney Hawk, Bill

Millen, Alec Martin, George Moore, Floyd Mitchell, George Key, Claude Gibson, Bob Robinson, Rod Key, Ovid Sperry and Ed Backman.

A series of speeches greeted the honoree, starting with his birth in Pittsburgh and continuing in his days at Cornell University, where he received a civil engineering degree.

His 41 years at Granite City Steel were paraded in song and just. He advanced from assistant to the director of the Department of Metallurgy and inspection to works manager in 1943, operational vice-president in 1949, president in 1957 and board chairman and chief executive officer in the 1960s.

One of the sequences focused on the naming and dedication of the Veeder Health Center by the company last year.

HURT IN ACCIDENT Mark Harris, 18, of Glen Carbon, was injured in an auto accident near Edwardsville and was brought by ambulance to St. Elizabeth Hospital at 2 a.m. Saturday. He suffered an injury to his neck and was admitted.
